

## PANEL BEATER & DOLLY KIT CP07K

The most widely used selection of panel beaters and dollies for most metal shaping needs, professional grade in a molded plastic box. Each hammer is color-coded for either shrinking (blue) or stretching (red) forming tasks. The three (3) panel beaters included are the **dinging**, **shallow-domed face** and **pick hammer** combo. The dollies included are the **thin toe**, **utility**, **curved** and **heel** shapes, providing the user with the best combination kit on the market. See our individual sections on panel beaters and dollies for more specifications on each item.
